TEXAS COMMISSION ON ENVIRONMENTAL QUALITY

Protecting Texas by Reducing and Preventing Pollution

March 20, 2025

Mr. Richard Stump III
Suburban Testing Laboratories Inc.
1037 MacArthur Road
Reading, PA 19605-9402

Subject: Initial Texas NELAP accreditation

Dear Mr. Stump:

I am writing to congratulate you and the staff of *Suburban Testing Laboratories Inc.* Based on your application and primary NELAP accreditations from the state of Pennsylvania, pursuant to authorization from the Executive Director of the Texas Commission on Environmental Quality, the Program Manager of the Quality Assurance Section has issued your laboratory secondary NELAP accreditation according to the attached Fields of Accreditation.

I am enclosing the accreditation certificate and Fields of Accreditation listing. Please review the enclosures for accuracy and completeness. Your laboratory's accreditation is valid until the expiration date on the certificate and scope, contingent on continued compliance with the requirements of the state of Texas as well as those of your primary accreditation body.

In the meantime, please contact Mr. Frank Jamison at frank.jamison@tceq.texas.gov if we can provide any additional information or assistance.

Sincerely,

A handwritten signature in black ink, appearing to read "D. Jody Koehler".

D. Jody Koehler, M.S.
Manager, Laboratory & Quality Assurance Section

Enclosures

Texas Commission on
Environmental Quality

Certificate of Accreditation

Accreditation is hereby granted to

Suburban Testing Laboratories Inc.
1037 MacArthur Road
Reading, PA 19605-9402

State Lab ID: T104704585
Effective Date: 03/20/2025
Expiration Date: 03/31/2026
Certificate ID: TX-C25-00081

Conditions of Accreditation

This laboratory has been found to conform with TCEQ rules and applicable standards for laboratory accreditation. The scope of accreditation is limited to the Fields of Accreditation (FoA) specifically listed on the subsequent page(s) of this certificate. Accreditation is for all version of a method approved per 40 CFR 136, 40 CFR 141, and/or 40 CFR 143. Continued accreditation requires ongoing compliance with all applicable standards and requirements.

Note: For the attached FoA table, matrices may include DW (drinking water), NPW (non-potable water), S (solid and chemical materials), A (air), and/or BT (biological tissue).

A handwritten signature in black ink that reads "K Keel".

Issued By: Kelly Keel, Executive Director Texas Commission on Environmental Quality
Date Issued: 03/20/2025
